DANVILLE DIVISION

UNITED STATES OF AMERICA :

v. : Case No. 4:19CR00006

JOHN DOUGLAS DOR :

AGREED STATEMENT OF FACTS

The events leading to Count One of the Indictment occurred in Henry County, in the Western District of Virginia on June 27, 2018.

That day, the Virginia State Police and the DEA were conducting interdiction operations on Route 220 in Henry County. While so doing, Trooper Sparks of the VSP noticed Mr. Dor operating a car with what appeared to be excessive window tint, and stopped him because of this. Based on his observations during the stop, Trooper Sparks searched Mr. Dor's car. The search uncovered what was later found by lab to be approximately 123 grams of heroin mixture, along with other controlled substances.

Mr. Dor was advised of his *Miranda* rights and admitted that he was a courier, transporting the heroin ^{CHIEF J.B. [Signature]} from Georgia to give to someone in the Suffolk, Virginia area.

I agree that this is a correct statement of the facts that the United States would have proved, had this matter gone to trial.
